

Class Rule Changes

International Cadet Class Association

Effective date: 2025-07-15

Status: Final

Amendment One

C.3.1(c)

Old:

C.3.1(c) A SOLAS compliant whistle shall be carried securely attached to the personal flotation device.

Amend to read:

C.3.1 (c) A ~~SOLAS compliant~~ **pea less** whistle shall be carried securely attached to the personal flotation device.

Reasons:

To align class rules with products commonly available on the market.

Many of the pea less whistles on the market are not SOLAS compliant and therefore would not be compliant despite being suitable.
