

The National Yacht Club

The Commodore, Flag Officers, and all the members of the National Yacht Club look forward to welcoming all World Sailing Conference to our historic Club. During November's World Sailing Conference, the Club and its facilities will be open to all conference delegates who will be honorary members of the NYC for the duration.

Since 1870, the National Yacht Club has proudly supported amateur sailing in Dublin and has welcomed sailors of all ages and all skill levels - from the newest Optimist sailors to the Club's Olympic medallists. Based in its historic Dun Laoghaire clubhouse between the inshore and offshore RNLI lifeboats and immediately next to Dun Laoghaire's wonderful East Pier promenade, the Club offers sail training, racing and cruising, together with a busy social calendar in its bar and dining room, where a full menu is available six days a week.
