Such systems and procedures should meet current best practice business accreditation standards and must be strictly compliant with applicable privacy laws. The Investigations Panel shall ensure such systems and procedures in place are documented.

PART 3: PROCEDURES

12. Duty to Report

- 12.1 Every Applicable Person has an obligation to report, as soon as practicable, any act, thing or information which they become aware of, which may constitute (on its own or with other information) a breach of the World Sailing Rules (including the World Sailing Constitution, The World Sailing Regulations, The World Sailing Codes or World Sailing Policies). This includes any approaches or requests to engage in conduct that may constitute a breach of the World Sailing Rules. This can be done by lodging an official report with the Investigations Panel (**“Report”**).
- 12.2 All Reports should be made or confirmed in such form as may be decided by the Investigations Panel from time to time. Reports should be signed and dated by the person lodging the Report and should include all available evidence.
- 12.3 Any Safeguarding Concern must be reported to the Chair of the Investigations Panel in accordance with the procedures set out in the Safeguarding Rules. Safeguarding Concerns shall be dealt with in accordance with the Safeguarding Rules and not as a breach under these Rules of Procedure (save as specifically set out in the Safeguarding Rules).

13. Prima Facie Case

- 13.1 The Chair of the Investigations Panel shall first assess whether the Report relates to an alleged breach of the World Sailing Rules.
- 13.2 If, upon review, the Chair of the Investigations Panel considers the Report to be frivolous or malicious, they may decide to take no further action. If, upon review, the Chair of the Investigations Panel considers the Report or a particular breach to be a minor breach, they may make a Referral pursuant to Rule 18. All Reports that are not pursued or are subject to a Referral pursuant to Rule 18 will be reported to the Investigations Panel at its next meeting. If the Chair of the Investigations Panel considers it appropriate to do so, they may ask any person filing a Report to provide further information or may make other enquiries before a decision is taken under Rule 13.3 as to whether a Prima Facie case is made out.
- 13.3 If the evidence submitted with, or subsequent to, any Report is considered by the Chair of the Investigations Panel to establish a Prima Facie case of a breach of the World Sailing Rules, the Chair of the Investigations Panel will cause an investigation to be commenced, unless in the view of the Chair of the Investigations Panel, in consultation with the Investigations Panel, there is a good reason not to cause an investigation to be commenced either immediately or at all.
- 13.4 In addition to information provided in a Report, the Chair of the Investigations Panel may consider information that has come to their attention by whatever means to establish whether there is a Prima Facie case of a breach of the World Sailing Rules, and in such circumstances, they will initiate an investigation for an alleged breach of the World Sailing Rules in accordance with these Rules.
- 13.5 Grounds do not need to be given for the initiation of an investigation for an alleged breach of the World Sailing Rules and the decision may not be contested. The Applicable Person will be notified of the commencement of such an investigation and

of the possible breach of the World Sailing Rules to which the investigation relates, and will be afforded the right to make a written submission as part of the investigation.

- 13.6 The Chair of the Investigations Panel may write to any Applicable Person against whom a Prima Facie case has been found to exist, to ask whether or not they wish to admit any breach of the World Sailing Rules suggested by the Prima Facie case. If the Applicable Person wishes to admit any breach of the World Sailing Rules, the Chair of the Investigations Panel will have the power to direct that the matter proceed directly to a decision by the Disciplinary Tribunal on the consequences and sanction.
- 13.7 At any time, whether or not the Chair of the Investigations Panel considers there is a Prima Facie case, they may refer any information they receive from a Report or otherwise to the appropriate criminal or other authorities or bodies, if they consider it appropriate to do so or it is required by law.

14. Provisional Suspension

- 14.1 At any time after a Prima Facie case of a breach of the World Sailing Rules has been determined by the Chair of the Investigations Panel to exist pursuant to Rule 13 of these Rules, the Chair of the Investigations Panel may make an *ex parte* application to the Chair of the Disciplinary Tribunal to impose a Provisional Suspension on the Applicable Person, pending completion of the investigation and a decision whether the Applicable Person has a case to answer.
- 14.2 Upon an application made under Rule 14.1, the Chair of the Disciplinary Tribunal may impose a Provisional Suspension if they consider that the integrity of the sport could otherwise be seriously undermined. Any Provisional Suspension imposed under Rule 14.1 will take effect from the date specified in the Chair's decision. At the same time as such notification, a copy of the decision to impose a Provisional Suspension on the Applicable Person shall be:
- (a) notified to the Investigations Panel, the Applicable Person's Member Federation unless the Chair of the Disciplinary Tribunal decides for good reason otherwise; and
 - (b) Publicly Disclosed, unless the Chair of the Disciplinary Tribunal decides for good reason otherwise.
- 14.3 Where a Provisional Suspension under Rule 14.1 is imposed, the Applicable Person will have the right within seven days of notification of the decision to make an application to contest such Provisional Suspension in a hearing before a special panel of the Disciplinary Tribunal convened to hear their case. This Panel may include the Chair of the Disciplinary Tribunal provided that in this situation, the Panel comprises of three members.
- 14.4 At any hearing under Rule 3.3, the Provisional Suspension may only be lifted if the Applicable Person establishes:
- (a) that the facts do not give rise to a Prima Facie case;
 - (b) that the charge(s) has/have no reasonable prospect of being upheld, e.g., because of a patent flaw in the case; or

- (c) some other facts exist that make it clearly unfair, in all of the circumstances, to impose a Provisional Suspension prior to a full hearing on the merits of the charge(s). This ground is to be construed narrowly, and applied only in exceptional circumstances (e.g. the fact that the Provisional Suspension would prevent the person from participating in a particular event will not qualify as exceptional circumstances for these purposes).

15. Investigating Potential Breaches

- 15.1 The Investigations Panel will have the power to conduct investigations where a Prima Facie case of a breach of the World Sailing Rules has been determined to exist pursuant to Rule 13 of these Rules.
- 15.2 Investigations under these Rules may be undertaken in whole or in part by Investigations Panel Staff or persons acting under delegated authority from the Investigations Panel.
- 15.3 Investigations for breach of the World Sailing Rules by or on behalf of the Investigations Panel may be conducted in conjunction with, and/or information obtained in such investigations may be shared with, other relevant authorities or bodies. The Investigations Panel will have discretion, where it deems it appropriate, to stay its own investigation pending the outcome of investigations being conducted by other relevant authorities or bodies. However, the mere existence of another investigation does not entitle the subject of an investigation to seek a stay of the investigation being carried out by the Investigations Panel.
- 15.4 All Applicable Persons must cooperate fully with investigations conducted by the Investigations Panel and a refusal or failure to do so without compelling justification shall constitute a breach of the Code of Ethics.
- 15.5 The Investigations Panel may at any stage after the Chair of the Investigations Panel considers there to be a Prima Facie case (including after the Notice of Charge) make a written demand (Demand) to an Applicable Person to provide the Investigations Panel with any information, record, article or thing in their possession or control that the Chair of the Investigations Panel reasonably believes may evidence or lead to the discovery of evidence of a breach of the World Sailing Rules.
- 15.6 Without limiting the foregoing, and considering applicable local privacy laws, the Investigations Panel may require an Applicable Person to:
 - (a) attend before the Investigations Panel for an interview, or to answer any question, or to provide a written statement setting out their knowledge of any relevant facts and circumstances;
 - (b) provide (or procure to the best of their ability the provision by any third party) for inspection, copying and/or downloading any records or files in hardcopy or electronic format, that the Chair of the Investigations Panel reasonably believes may contain relevant information (such as itemised telephone bills, bank statements, ledgers, notes, files, correspondence, emails, messages, servers);
 - (c) provide (or procure to the best of their ability the provision by any third party) for inspection, copying and/or downloading any electronic storage device in which the Chair of the Investigations Panel reasonably believes relevant information may be stored (such as cloud based servers, computers, hard

drives, tapes, disks, mobile telephones, laptop computers, tablets and other mobile storage devices);

- (d) provide passwords, login credentials and other identifying information required to access electronically stored records that are the subject of a Demand.
- 15.7 Subject to Rule 15.8, an Applicable Person must comply with a Demand in such reasonable period of time as determined by the Investigations Panel and set out in the Demand. Each Applicable Person waives and forfeits any rights, defences and privileges provided by any law in any jurisdiction to withhold any information, record, article or thing requested in a Demand.
- 15.8 Where a Demand relates to any information, record, article or thing that the Chair of the Investigations Panel reasonably believes is capable of being damaged, altered, destroyed or hidden (any electronic storage device, or electronically stored information shall be deemed to meet this criterion), then for the purposes of evidence preservation, the Investigations Panel may require an Applicable Person to comply immediately with the Demand. In such a case:
- (a) the Applicable Person must immediately comply with the Demand and permit the Investigations Panel to take immediate possession of, copy and/or download the information, record, article or thing. However, the Investigations Panel may take no steps to inspect or use the same other than as provided in Rule 15.8(d) below;
 - (b) a refusal or failure by an Applicable Person to comply immediately with the Demand shall constitute an independent breach of the Code of Ethics and any attempted or actual damage, alteration, destruction or hiding of such information, record, article or thing upon receipt of or after the Demand shall constitute an independent breach of the Code of Ethics;
 - (c) the Applicable Person has seven days from receipt of the Demand to file an objection to the Demand by requesting a review by the Chair of the Disciplinary Tribunal or their delegate in accordance with Rule 15.9; and
 - (d) if the Applicable Person does not file an objection within seven days of receipt of the Demand (or files an objection and the Chair of the Disciplinary Tribunal or their delegate subsequently finds there is a reasonable belief basis to the Demand), or notifies the Investigations Panel that they do not object to the Demand, the Investigations Panel may forthwith inspect the information, record, article or thing and otherwise make use of it in accordance with these Rules.
- 15.9 An Applicable Person may object to a Demand made under Rule 15.5 by filing an application with the Chair of the Disciplinary Tribunal within seven days of receipt of the Demand specifying the grounds for such objection. Where such an application is made, subject always to Rule 15.8, the time for complying with a Demand shall be stayed pending the outcome of the objection.
- 15.10 The Chair of the Disciplinary Tribunal or their delegate (who shall in all cases be another member of the Disciplinary Tribunal) shall consider the objection to the Demand with as much expediency as the justice of the matter permits and, unless exceptional circumstances apply, such review shall be conducted by way of written evidence and submissions only. In considering the Demand, the Chair of the

Disciplinary Tribunal shall have the discretion, but not the obligation, to invite submissions from the Investigations Panel and the Applicable Person, as they see fit.

- 15.11 Where the Chair of the Disciplinary Tribunal or their delegate determines that there is no reasonable belief basis to the Demand, then the Investigations Panel shall not pursue the Demand with the Applicable Person. The information, record, article or thing and any copy or download of the same shall either be immediately returned to the Applicable Person or destroyed, as the case requires.
- 15.12 If the Chair of the Disciplinary Tribunal or their delegate determines that there is a reasonable belief basis to the Demand, and if the Applicable Person fails to produce the information, record, article or thing and any copy or download of the same, then it shall constitute an independent breach of the Code of Ethics.
- 15.13 The ruling of the Chair of the Disciplinary Tribunal or their delegate as to whether there is a reasonable belief basis to a Demand shall not be subject to appeal.
- 15.14 If a Demand is set aside, it shall not preclude the Investigations Panel from making any other Demand in relation to the same or another investigation.
- 15.15 Any information, record, article or thing provided to the Investigations Panel under this Rule will be kept confidential except when it becomes necessary to disclose such information, record, article or thing to further the investigation of and/or to bring or as part of proceedings relating to a breach of the World Sailing Rules, or when such information, record, article or thing is reported to administrative, professional or judicial authorities pursuant to an investigation or prosecution of non-sporting laws or regulations, or is otherwise required by law.
- 15.16 If an Applicable Person obstructs or delays an investigation (e.g. by providing false, misleading or incomplete information or documentation and/or by tampering or destroying any documentation or other information that may be relevant to the investigation), this may itself constitute an independent breach of the Code of Ethics.
- 15.17 The Investigations Panel may at any time require a Member Federation or Area Association:
 - (a) to assist in an investigation into a potential breach of the World Sailing Rules by one or more persons under its jurisdiction (where appropriate, acting in conjunction with any other relevant national authority or body); and
 - (b) to provide a written report on such assistance within a reasonable time period as stipulated by the Investigations Panel.
- 15.18 If a Member Federation refuses or fails to comply with Rule 15.17 without compelling justification, or obstructs or delays an investigation (e.g. by providing false, misleading or incomplete information or documentation and/or by tampering or destroying any documentation or other information that may be relevant to the investigation), it shall constitute a serious breach of the Rules. This shall be reported to Council or Congress and for which Council or Congress may exercise their respective suspensive and other powers to sanction against the Member Federation in accordance with Parts II and III of the Constitution.
- 15.19 Where during the course of, or pursuant to, any investigation the Investigations Panel identifies any additional Applicable Persons against whom it considers there exists a

Prima Facie case of a breach of the World Sailing Rules, the investigation may be expanded to deal with their involvement in the events in question.

- 15.20 In each case following completion of the investigation, subject to the prior approval of the Investigations Panel, the Chair of the Investigations Panel shall decide whether there is a case to answer for the commission of a breach of the World Sailing Rules and, if so, whether the athlete or other person should be Provisionally Suspended, or should continue to be Provisionally Suspended, pending resolution of the case.
- 15.21 Where the decision is that an Applicable Person has a case to answer for commission of a breach of the Code of Ethics, the Chair of the Investigations Panel will send a Notice of Charge in accordance with Rule 16.
- 15.22 Where the decision is that there is no case to answer, the matter shall not proceed further and any Provisional Suspension previously imposed shall be lifted.

16. Notice of Charge

- 16.1 When the Chair of the Investigations Panel decides pursuant to Rule 15 that there is a case to answer, the Chair of the Investigations Panel will send a written notice (“**Notice of Charge**”) to the Applicable Person subject to the charge(s) with a copy to their Member Federation.
- 16.2 The Notice of Charge shall set out:
 - (a) the breach of the World Sailing Rules alleged to have been committed (the specific rule, code or regulation of the relevant World Sailing Rules alleged to have been infringed),
 - (b) a summary of the facts upon which such allegations are based, and any other relevant information;
 - (c) a summary of the potential consequences and sanctions if it is determined that the alleged breach of the World Sailing Rules have been committed; and
 - (d) the Applicable Person’s entitlement to respond to the Notice of Charge in accordance with Rule 16.3.
- 16.3 The Applicable Person may respond to the Notice of Charge in one of the following ways:
 - (a) admit the breach of the World Sailing Rules charged and accept all or any of the potential consequences and sanctions specified in the Notice of Charge;
 - (b) admit the breach of the World Sailing Rules charged, but dispute and/or seek to mitigate all or any of the potential consequences and sanctions specified in the Notice of Charge and have the Disciplinary Tribunal determine the consequences and sanctions at a hearing conducted in accordance with Rule 16.6; or
 - (c) deny the breach of the World Sailing Rules charged, and have the Disciplinary Tribunal determine the charge(s) and (if the charge(s) is upheld) any consequences and sanctions, at a hearing conducted in accordance with Rule 16.6.

- 16.4 If the Applicable Person wishes to exercise their right to a hearing before the Disciplinary Tribunal, they must submit a written request for such a hearing so that it is received by the Investigations Panel as soon as possible, and in any event, within 10 days of their receipt of the Notice of Charge or such other deadline specified in the Notice of Charge. The request must also state how the Applicable Person responds to the charge(s) and must explain (in summary form) the basis for such response. A copy of the written request for a hearing shall be sent to the Chair of Disciplinary Tribunal, together with a copy of the Notice of Charge.
- 16.5 In the event the Applicable Person does not respond to the Notice of Charge in the manner set out in Rule 16.3 by the specified deadline, the Applicable Person will be deemed to have admitted the breach of the World Sailing Rules charged, and the consequences and sanctions specified in the Notice of Charge will apply, provided that the Notice of Charge has been given to the Applicable Person in accordance with Rule 17.
- 16.6 On receipt of a written request for a hearing from an Applicable Person and the corresponding Notice of Charge, the Chair of the Disciplinary Tribunal (or by agreement with them, his/her delegate) will appoint a panel of the Disciplinary Tribunal to hear and decide the matter as set out in the Disciplinary Tribunal Rules of Procedure.
- 16.7 In the Notice of Charge, or at any other time prior to the determination of the charge(s) by the Disciplinary Tribunal, the Investigations Panel may invite the Applicable Person to admit the breach of the World Sailing Rules charged.
- 16.8 In the event that the Investigations Panel withdraws the Notice of Charge, or the Applicable Person admits the breach of the World Sailing Rules charged and accepts the consequences and sanctions specified (or is deemed to have done so in accordance with Rule 16.5), a hearing before the Disciplinary Tribunal will not be required. If this occurs, the Investigations Panel will:
- (a) promptly issue a decision confirming (as applicable) its withdrawal of the Notice of Charge or the admission of the breach of the World Sailing Rules and the imposition of the specified consequences and sanctions;
 - (b) Publicly Disclose any decision confirming the admission of the breach of the World Sailing Rules and the imposition of the specified consequences and sanctions in accordance with the Disciplinary Tribunal Rules (but shall not disclose a decision to withdraw a Notice of Charge);
 - (c) send a copy of the decision to the Applicable Person subject to the charge(s), and for any decision confirming the admission of the breach of the World Sailing Rules and the imposition of the specified consequences and sanctions,
 - (d) send a copy of that decision to their relevant Member Federation.

17. Notice

- 17.1 Any notice or other communication required to be given by the Investigations Panel or the Disciplinary Tribunal pursuant to these Rules must be given in writing and must be sent by email or personal service. If transmitted by email before 5:00 pm (BST) on a business day, the notice or other communication will be deemed to have been given on that day. If transmitted by email on a non-business day, or at or after 5:00 pm

(BST) on a business day, the notice or other communication will be deemed to have been given on the next business day.

- 17.2 A party's last-known residence, place of business or email will be a valid address for the purpose of any notice or other communication, unless notification of a change to such address has been communicated to the Investigations Panel or the Disciplinary Tribunal (as applicable). Notice to a person who is a member of or affiliated to a Member Federation may be accomplished by delivery of the notice to the Member Federation.
- 17.3 Any period of time specified in these Rules will begin to run on the day following the day when a notice or other communication is given. Non-business days occurring during the period are included in calculating the running of that period, save that if the period, so calculated, ends on a non-business day, then it will be deemed to end on the next business day.
- 17.4 The Chair of the Investigations Panel or the Chair of the Disciplinary Tribunal, as appropriate, may for good reason extend any period of time specified in these Rules, if necessary with retrospective effect.

18. Alternative Procedure for Minor Breaches

- 18.1 Notwithstanding any other provision of these Rules, where the Chair of the Investigations Panel considers an alleged breach of the Code of Ethics or the World Sailing Rules (other than a Doping Violation or a Safeguarding Concern) to be a minor breach, rather than follow the procedures set out above the Chair of the Investigations Panel may refer the matter to the Disciplinary Tribunal to be dealt with in accordance with the Disciplinary Tribunal Rules of Procedure (a **Referral**).
- 18.2 The Referral will set out:
- (a) the name of the Applicable Person who is the subject of the Referral (the Respondent);
 - (b) a brief statement of the details of the alleged breach;
 - (c) the specific provisions of the Code of Ethics or World Sailing Rules alleged to have been violated; and
 - (d) details of any relevant evidence, including copies of any relevant documents.
- 18.3 If upon investigation the Disciplinary Tribunal identifies facts or matters that suggest that a minor sanction may not be adequate, given the conduct of the Applicable Person, they shall raise this with the Chair of the Investigations Panel, who will then decide whether to maintain the Referral or else withdraw the Referral and pursue the matter in accordance with the ordinary procedures set out above. Alternatively, the Chair of the Investigations Panel may withdraw the Referral of their own accord at any time and pursue the matter in accordance with the procedures set out above.
